As directed, my office is to work with your department to coordinate the establishment of the link from your internet home page to the DA's "Most Wanted Delinquent Parents" home page. To establish this linkage, I have provided the DA's internet page address below. Establishing this connection should represent a minimal amount of effort on the part of your staff. If, however, you find that you cannot support this requirement, please contact my office to discuss alternative courses of action.

February 16, 1998 has been established as the date at which time the linkage should be established. Tracy Lewis, of my office, is responsible for coordinating this effort and is available at (213) 974-4285 or E-mail (tlewis@co.la.ca.us). Upon completion, please contact Tracy to let her know that linkage has been established.

I have provided samples of how other departments have already addressed this requirement.
